

THE CHILDREN SING

Music video by Basile Khatir

4 minutes · 1.77 · French · Color · 2023

SYNOPSIS

In a dull and blue world, reminiscent of abandoned suburbia, a mysterious green substance suddenly appears. At first, it slowly infiltrates familiar themes of the daily life. It gradually takes possession of the children of the city, where the scenery turns into apocalypse.

BASILE KHATIR BIOGRAPHY

Basil Khatir is an optical engineer who started directing in a fully self-taught way. After several self-produced short films, the animated music video *THE CHILDREN SING* is his first collaboration with a production company. Basile is now directing the animated short *MY TEENAGE BLACKOUT*, which has just been bought by the television channel Arte.
